

ANNUAL REPORT 2022-23

Good morning everyone.

Our beloved Director Mr. Ravi Kushwaha Ji, distinguished Chief Guest Mr. Krishan Sharma Ji, Trustees, School Managing committee members, invitees, parents, members of the faculty and staff and dear students.

I consider it a great privilege to present the Annual Report of Academic Heights Public School for the Academic Year 2022-23. This year has also been very fruitful. After two years of irregularities caused by the Pandemic, we could begin our academic year in the first week of June itself. Hitherto it has been fine and our Calendar moves on as planned.

Academic Heights Public School has successfully completed its journey into excellence for 5 years. By the grace of the Almighty and the blessings of our predecessors, I am happy to state that we are progressing in consonance with time. We have been able to translate our vision and mission into action. Our atmosphere is conducive for the intellectual, physical and mental growth of our students. Our teachers take special care of each of our children and we reaffirm the sobriquet *A school where **We Teach Life***.

Before I begin to unfold the legacy of AHPSians, let us bow our heads in reverence and gratitude to our beloved founder Mr. Bhagwan Das Ji. Let us remember these great souls with gratitude for providing us with such a great institution. Let us sincerely vow to spread the fragrance of universal love and brotherhood that our founders upheld in their lives.

AWARDS AND RECOGNITIONS

Our Director, Mr. Ravi Kushwaha Ji, was appreciated and recognized by Mr. Anand Kumar Ji, founder of Super30 in the Mega Competition. This award was for the outstanding individuals in the field of education.

We have 300+ students on roll now, which is another milestone in the journey of newly established organization. We have 23 dedicated teachers and as many as 8 non-teaching staff. We are committed to maintain the teacher-student ratio of 1:25, which ensures that every child is personally attended and taken care of by the teachers.

IMPORTANT PROGRAMMES

We started our Academic Year with a Teachers' Meet. This event was led by the company of director and principal.

A glimpse of the major events so far is listed below:

- On the day of Independence, our school organized one event of cultural activities. This event was made memorable under the leadership of 8th class students.
- On 31th August, our PET faculty conducted the emergency evacuation mock drill under the supervision of professional fire-fighters. He also conducted an awareness programme for the non teaching staff members to deal emergency situations.
- On the occasion of Janmashtami, one dress competition was conducted where 2 students of every class were recognized for their amazing attire.

- The children day was celebrated by organizing a school trip to Lehchura Dam.
- We observed Yoga Day (a fitness event) with a lot of students exhibiting their talents in yoga. The most admiring stuff was the teachers commitment towards being health conscious and practicing Yoga on regular basis.
- A team of doctors from Community Health Center organized a health check up camp for all the students and staff members in different shifts. It was a positive step to encourage healthy practices.
- A special Teacher's Day programme was organised for the faculty of the campus institutions. Our principal, Mrs. Aabha Kushwaha delivered a very meaningful and befitting message on the occasion.
- Diwali celebration along with Art and Craft competition created an amazing impression where our school witnessed the talent and creativity of our students. Most interestingly, our Diwali celebration was concluded with Tree Plantation where the promise to save environment was made by our future generation.
- The Republic Day program was celebrated as sports day of our school. This sports event gave the opportunity to our potential athletes to perform outstanding.
- The 5th anniversary of the school was celebrated on 18th March, where our director and principal promised to make our school CBSE affiliated in the following year. They also shared the preparation status to meet the eligibility criteria of CBSE.

Library Facilities

We have amazing content enriched library, with a combined stock of 2000 books. This year we added 150+ books and subscribed to multiple newspapers, magazines and journals. Library is an ever-inspiring place for the students and teachers of our School. Our alumni who are spread around the globe testify time and again the role our libraries have played in shaping their career and future.

Parent -Teacher Interface

We had our parent-teacher interaction during the year in three sessions. This year especially after the gap of two years majority of the parents attended the meeting. As usual, our teachers share all the needy tips and accept the feedback of the parents for the betterment of the student. As we believe in realistic insights so all the assessment sheets and exam copies along with students' portfolio are properly shared with the parents.

More than 85% of existing parents attended the three parents' meetings. This is a very encouraging development. Let me appeal to the parents to maintain the same spirit in the years to come. Your participation in school activities send out a positive signal to children.

Some of the Notable Achievements of the Year

- Our school entered the club of 300+ students in this year.
- A student from 5th class, Aarna Pathak and another from 7th class, Vedansh Rajpoot participated in the AHPS Mega Competition.
- Our Art and Craft teacher made a mesmerizing portrait that is still making shine in our glorious gallery.

- A group of primary students participated and performed outstanding in Jal Vihar Mahotsav (a mega festival which is celebrated for a month)

Conclusion

Ladies and gentlemen, before we conclude the report we humbly acknowledge the encouragement and positive energy that is given by everyone here. We take this opportunity to thank the School Managing Committee, especially the Director Mr Ravi Kushwaha Ji. We also extend my gratitude to the Principals, Head Teachers, Faculty, Staff, Students, Parents, Benefactors and Resource Persons for striving earnestly in taking AHPShians to greater heights.

We sincerely thank the Almighty for giving us yet another opportunity to present the Annual Report of this prestigious school. Thank you everyone, from the depth of our hearts.

Thank you.

Regards,

Principal
