Director's Message

There is nothing more gratifying than educating and empowering the next generation- the builders of our nation. We, at AHPS, Mauranipur, know that call of the time is to awaken their imagination, enhance their creativity, hone their critical thinking, and enable them to innovate and invent. For catering to the demand of the new age, we propel to impart an education that enables the students to excel holistically without stress and strain, to question beyond the written, and answer the inexplicable.

Principal's Message

We are committed towards Art Integration, Artificial Intelligence, Experiential Learning and Multiple Intelligence. That is why our books assure essence of National Education Policy, 2020 (NEP) and the National Curriculum Framework (NCF).

We experiment with innovative methods to engage the learners constructively and to strengthen them academically, emotionally, and psychologically. We firmly believe that our young learners should be scientific yet spiritual, empathetic yet emotionally strong, imaginative yet realistic, and humble yet convincing.

Our Mission is to pursue excellence in academics, games and sports, co-curricular activities, and life skills. We are committed to offering a holistic education that extends beyond textbooks, with a focus on the personal development of our pupils.

We hope to develop fundamental traits such as self-reliance, courage, self-confidence, and self-esteem through our challenging academic programs and varied range of activities.

Our Vision is to encourage a desire for lifelong learning among our students. We strive to foster independent thinking, thoughtful decision-making, critical analysis and appreciation. We are committed to inculcating the best of Indian culture and tradition among our pupils, integrating it into their lives. Furthermore, we aim to create responsible, disciplined, and secular citizens who are fully aware of their social, moral, and cultural obligations and commitments. We instill in our students a desire for unbounded service to humanity, nurturing a sense of responsibility and a willingness to contribute to society.
